## <u>Arrows (parallel) – Sam Hesp</u>

## Notes:

- 24 x 38 grid

## My process:

- 1. Fold the level shifter beneath the arrowhead
- 2. Fold the level shifters at the base of the arrow
- 3. Pull the trapped paper from behind to lock the layers at the base
- 4. Collapse the arrowhead
- 5. Work from bottom to top, left to right
- 6. Fold behind the corners of the pleats to lock
