# Arrows (parallel) – Sam Hesp

Notes:

- 24 x 38 grid

My process:

1. Fold the level shifter beneath the arrowhead
2. Fold the level shifters at the base of the arrow
3. Pull the trapped paper from behind to lock the layers at the base
4. Collapse the arrowhead
5. Work from bottom to top, left to right
6. Fold behind the corners of the pleats to lock
